

Seeding Line

S Line

- ✓ Skim coultter without carbide pad
- ✓ No air vent : seeds may rebound in furrow
- ✓ No mud scrapers (machine delivered with brackets — further installation is possible)
- ✓ Bellota discs

HD Line

- ✓ Carbide pad on skim coultter
- ✓ Air vent to drop the seed by gravity and remove any rebound effect in the furrow
- ✓ Mud scraper on closing wheels for a constant seeding depth in wet conditions
- ✓ Niaux 200 discs
